

CAREER OBJECTIVE

MCA graduate with hands-on experience in web development (HTML, CSS, JavaScript) and software development, along with working knowledge of Python for backend development and data handling. Strong communication, analytical, and problem-solving skills. Seeking an entry-level IT opportunity to apply and enhance my technical skills while contributing to organizational success.

EDUCATION

MASTER OF COMPUTER APPLICATIONS

Sree Saraswathi Thygaraja College

2024 - 2026

Percentage: 68.0%

BACHELOR OF COMMERCE (COMPUTER APPLICATIONS)

Arulmigu Palaniandavar College of Arts & Culture

2022 – 2024

Percentage: 60.0%

INTERNSHIP

Data Analyst Intern (YALE IT SKILLHUB)

Duration: Jan 2026 – Apr 2026

- Assisted in data collection and analysis using Python and Excel.
- Created Dashboards and reports for data visualization.
- Worked with SQL to retrieve and analyze data

PROJECTS

FINANCE & BUDGET TRACKING DASHBOARD

Technologies: Python, Flask, SQLite, HTML, CSS, Bootstrap, Chart.js

- Developed a full-stack **Finance & Budget Tracking Dashboard** using Python, Flask, SQLite, HTML, CSS, Bootstrap, JavaScript, and Chart.js for income and expense management
- Implemented budget planning, transaction management, category-based tracking, and **CRUD operations** with SQLite database integration
- Built interactive financial dashboards and integrated **Excel export** functionality to improve reporting, data accessibility, and user experience.

STUDENT MANAGEMENT SYSTEM

Technologies: Python, Flask, SQLite, HTML, CSS, Bootstrap

- Designed** a responsive **Student Management System** using **Python, Flask, SQLite, HTML, CSS, Bootstrap, and JavaScript** to streamline student and attendance management.
- Implemented robust **CRUD operations** with SQLite database integration, ensuring efficient data storage, retrieval, and record management.
- Designed an interactive analytics dashboard using **Chart.js** to visualize student enrollment, attendance trends, and course-wise statistics.

TECHNICAL SKILLS

- PYTHON | HTML | CSS
- JavaScript | Flask
- SQLite

CERTIFICATIONS

WEB DEVELOPMENT COURSE (CSS, JavaScript) (UDEMY)
INTRODUCTION TO MACHINE LEARNING (NPTEL)
DATABASE MANAGEMENT SYSTEM (NPTEL)
